Important messages

This is not a bill; our records indicate your payments are scheduled to withdraw automatically. All funds are applied when sufficient funds have accumulated to make a full monthly payment, as outlined in your mortgage note. A payment remitted via another source will not stop the drafting process. If you are paying off your loan, please contact us at least five (5) days prior to your next withdrawal date.

The transaction activity noted above shows a payment that was not honored by your financial institution.

If we are not able to successfully collect these funds, the check amount will be reversed from your loan.

If you would like to make an extra payment toward the loan principal, please indicate with the payment that it is intended for pre-payment of principal, and we will evaluate whether the payment is eligible for a principal pre-payment based on the account status. If we receive funds in excess of the total amount due without instructions, those excess funds may be applied to future contractual payments, fees, costs, escrow shortages or principal, depending upon the specifics of the account and the amount of the funds received.
